ORGANIZED BY

SRI SAI COLLEGE OF PHARMACY, MANAWALA, AMRITSAR

APPROVED BY AICTE, PCI, IKGPTU

Amritsar is a city with a splendid blend of tradition and culture with important religious centers and historical sites, the city reveals a magnificent past and a promising future. The city is known as the Jewel of Punjab. There are several heritage and religious attractions in Amritsar. Abode of the famous Golden Temple, it is the centre of Sikh history and Culture. Amritsar is also a prime and popular pilgrim destination in India. Jallianwala Bagh, Garden near the Golden Temple, which is the silent monument of the massacre of 1919, is also a tourist spot. Other popular attractions of Amritsar are the Gobindgarh Fort, Wagah Border, Durgiana Temple and Ram Tirath which attracts pilgrims to this area.

About the College

Sri Sai Group of institutions saw its perceptions in the year 1996 when its first venture in the shape of Polytechnic college saw the light of the day. Establishing Sai Technology campus at Manawala – Amritsar is a dream come true for the Hon'ble chairman Er. S. K. Punj who hails from Bhikhiwind village and had a strong desire to serve the people of Majha region. Sri Sai college of Pharmacy was established in the year 2008 under the aegis of Sri Sai educational & charitable society, Badhani Pathankot which was found by respected Sh. Ram Iqbal Bhardwaj Ji. The campus is located at the outskirts of the holy city of Amritsar, 6 kms from the Amritsar periphery on Amritsar- Jandiala Road (National highway1) at Manawala, District Amritsar, Punjab. The main objective of society is to give quality education in field of Pharmacy and to create the technical education awareness amongst the rural people. The Institute has started Four year degree course and two year diploma course since 2008. All the programs are approved by AICTE/ PCI, Punjab Technical University, Jalandhar and Punjab State Board of Technical Education and Industrial Training, Chandigarh.

About the Conference

The aim of this conference entitled “Recent Advancements in the Field of Pharmaceutical Sciences” is to provide the most coveted interdisciplinary research platform. This conference would address the critical issues pertaining to all areas of pharmaceutical research. The conference will provide a valuable platform for Researchers, Academicians and Industrialist to congregate and share their findings, ideas, scientific knowledge and new techniques/applications about latest developments in their respective research domain and interdisciplinary research work in the field of pharmaceutical sciences. During conference, ideas and information exchange would be executed through plenary sessions, poster presentation, discussion and interaction.
